As part of Durham County Council's Leisure Transformation programme, we are seeking your views on planned improvements for your Leisure Complex.

The programme plans have been put together following extensive research and previous general consultation. They are aimed at providing all users with access to an updated range of activities or facilities which will help everyone keep active, promote a healthy lifestyle and help us to sustain our leisure services now and into the future. Whether you are just starting out, or are already well into your activity journey, we want to help by providing spaces and places which are modern, well equipped, and meet the needs of our community.
