[Veena - speech] "County Durham Care Academy delivers a wide range of courses and opportunities for those people who are interested in working in both children's and adults' social care. "

[Video: various scenes of a children and adults enjoying various activities with their carers]

[Veena - speech] "The Care Academy's Routeway programme into children's social care is the first step to developing a career in this sector. The children's social care market in County Durham is a growing area, and we need people like you to join the course, train, and develop a really rewarding career in this sector."

[Veena - speech] "The routeway is fast track programme usually delivered over 6 weeks on a part time basis and is delivered both online and in the classroom."

[Graphic: child and older female in theatre seating eating pop corn. Group of children and adults dancing]

[Veena - speech] "The topics covered in the programme will give you a good foundation for starting your career. They include an introduction into working in children's social care, effective communication with children and young people, working professionally with children, families and partnership agencies and learning about developing positive outcomes for children and young people.

[Veena - speech] "Our flexible approach to learning will help you to manage studies around your own personal commitments - and our courses are also free of charge."

[Video: child enjoying activities with her carer]

[Veena - speech] "Part of the programme included helping you to engage with local employers in locations across County Durham, who are providing social care support to local children and young people. This will give you a real insight into working in children's social care."

[Veena - speech] "At the end of the programme, you will choose one of these local employers for a guaranteed interview and you will also receive your Disclosure and Barring Service check for free when appointed."

[Veena - speech] "Anyone who has an interest in working in children's social care can sign up and we will provide you with an individual learning plan to support you through the programme."
