[Woman (Nina) in blue standing beside a brightly mural and a wall]

[Nina - speech] County Durham Care Academy delivers a wide range of courses and opportunities for those people who are interested in working in both children's and adults' social care.

[Video: various scenes of adults and children with the carers enjoying activities]

[Nina - speech] Our Routeway into Adult Social Care is the first step to developing a career working with adults in County Durham. The care industry is a growing area with a wide range of job opportunities, and we need people like yourself to come along, join the course, train, and develop a fantastically rewarding career.

[Graphic: people with their carer in a heart shape]

[Nina - speech] The routeway is a fast track programme usually delivered over 6 weeks on a part time basis and is delivered both online and in the classroom.

[Nina - speech] The qualifications you gain on the programme give you good basis for starting your career and includes Food Hygiene, First Aid, and knowledge of the elements of the care certificate.

[Graphic: showing a scroll under the word qualifications]

[Video: two carers having a meeting]

[Nina - speech] Our flexible approach to learning will help you around your own personal commitments. And it is also free of charge.

[Video: carers involved in a range of activities with the people they are caring for]

[Nina - speech] The Care Academy have links with local employers across all areas of social care who are waiting to meet you, discuss your opportunities and your future.

[Video: various scenes of adults and children with the carers enjoying activities]

[Nina - speech] At the end of the programme, you will receive a guaranteed interview with one of the employers. When you receive your job offer you'll also be given a DBS at no charge.

[Video: carers involved in a range of activities with the people they are caring for]

[Nina - speech] Anyone can sign up who has an interest in working in care, and we will provide you with an individual learning plan to support you through the programme.

[Nina - speech] If you want a career that makes a difference, why not find out more
