1 - Introduction

1.2 - MyView Onboarding Module – What is Onboarding?

Onboarding is a term referring to the process of introducing a newly hired employee into an organisation. Onboarding is an important part of helping employees understand their new position and job requirements, as well as allowing them to complete pre-employment tasks which are required before commencing their role.

MyView has been enhanced with new Onboarding functionality, which means that as an Onboarder to Durham County Council, when you access MyView you will see displayed a set of activities to perform based on tasks allocated to you. Dependant on the nature of the post, additional onboarding tasks will be made available for you to complete.

The majority of tasks allocated to you are mandatory tasks for all onboarding employees. However, there are some additional onboarding tasks which Payroll and Employee Services will allocate to you based on your specific role.

The types of onboarding tasks you will be asked to complete include:

- **watching videos** i.e., corporate induction
- **reading documents**
- **uploading documents**
- **completing forms (both MyForms and MyTeam processes)** – this may include:
 - Employee Personal Data Collection and Bank Details
 - Employee Photo Upload - for security/ID purposes
 - HMRC checklist
 - Sickness Absence History
 - *DBS Consent (dependant on nature of post)*
 - *Criminal Conviction Declaration (dependant on nature of post)*
 - *Recruitment Allowance (dependant on nature of post)*

As an onboarder to Durham County Council, using the Onboarding module within MyView will allow you to:

- Easily communicate with Payroll and Employee Services throughout the pre-employment process through to you starting – this includes receiving your Conditional Offer of Appointment and the Statement Of.
- Ensure a consistent and transparent onboarding process for all new starters - reducing time on administration of pre-employment checks.
- Access to the [Durham Learning and Development System](#) to undertake induction and mandatory training **14 days** prior to your start date.
- Feel a part of the Council from the moment you receive your conditional offer of employment, not just when you commence work in your new post.

As a newly appointed candidate, Business Services will provide you with access to an **Onboarding hub** via our MyView employee self-service application allowing you to complete a range of pre-employment and induction tasks before your start date can be confirmed.

You will receive regular updates (via automated email alerts) outlining the pre-employment and induction tasks which are still outstanding – designed to help to complete the pre-employment and induction process more efficiently.

Documentation to support the use of MyView including Frequently Asked Questions are available via www.durham.gov.uk/MyView

2 – Logging onto MyView

2.1 – Receiving your log on details

Once you have attended your interview and been identified as the successful candidate, the recruiting manager will advise Payroll and Employee Services of your appointment.

The Payroll and Employee Services team will initiate the onboarding campaign allowing you to complete the mandatory pre-employment and induction tasks that need to be completed by you before your appointment can be finalised.

Whilst your start date with the Council will not have been agreed at this point, you will be able to access the MyView employee self-service application – specifically access to the **MyView Onboarding Hub**.

Once the PES team have initiated your onboarding campaign, you will receive an automated email from resourcelink@durham.gov.uk advising your that your Conditional Offer of Appointment letter is now available to download. This email will also provide you with the link to access MyView and confirmation of your 6-digit employee number (also known as a payroll reference number).

Please follow the link provided in the email.

2.2 How do I log into MyView for the first time?

To set up your first-time log in details for MyView, you will need to click on the **[Forgotten your password?]** link on the right-hand pane of the MyView Dashboard landing page, as shown below.

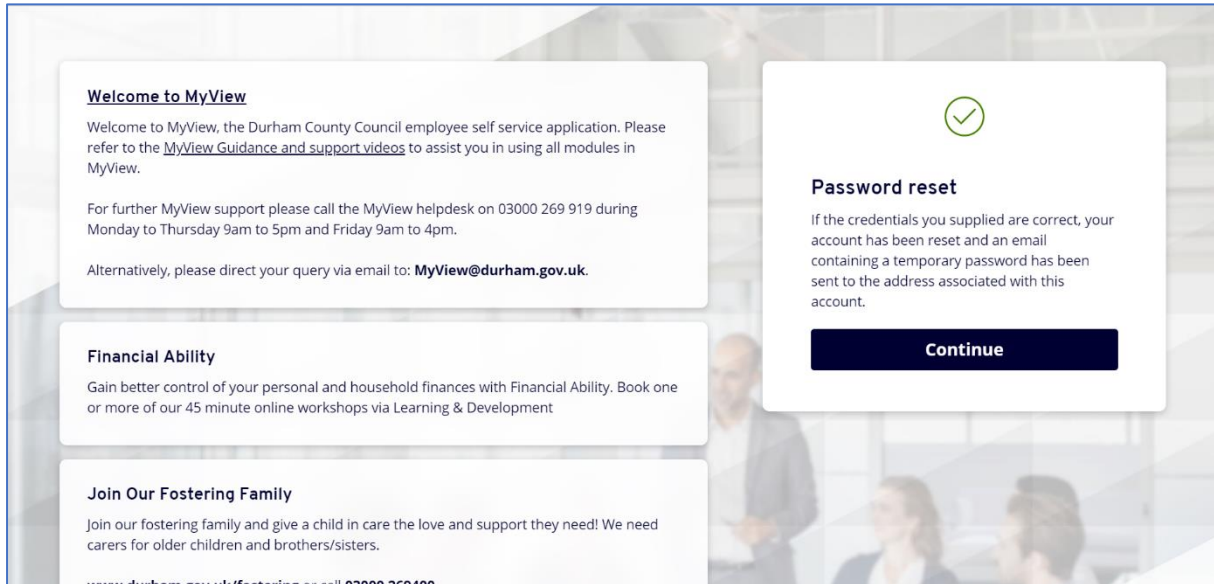

The following page will then appear where you will be prompted to enter your six-digit payroll/employee number and date of birth to verify your identity. **Your six-digit employee number can be found in your Conditional Offer of Appointment email.** Once this is complete, select **[Reset my account]**.

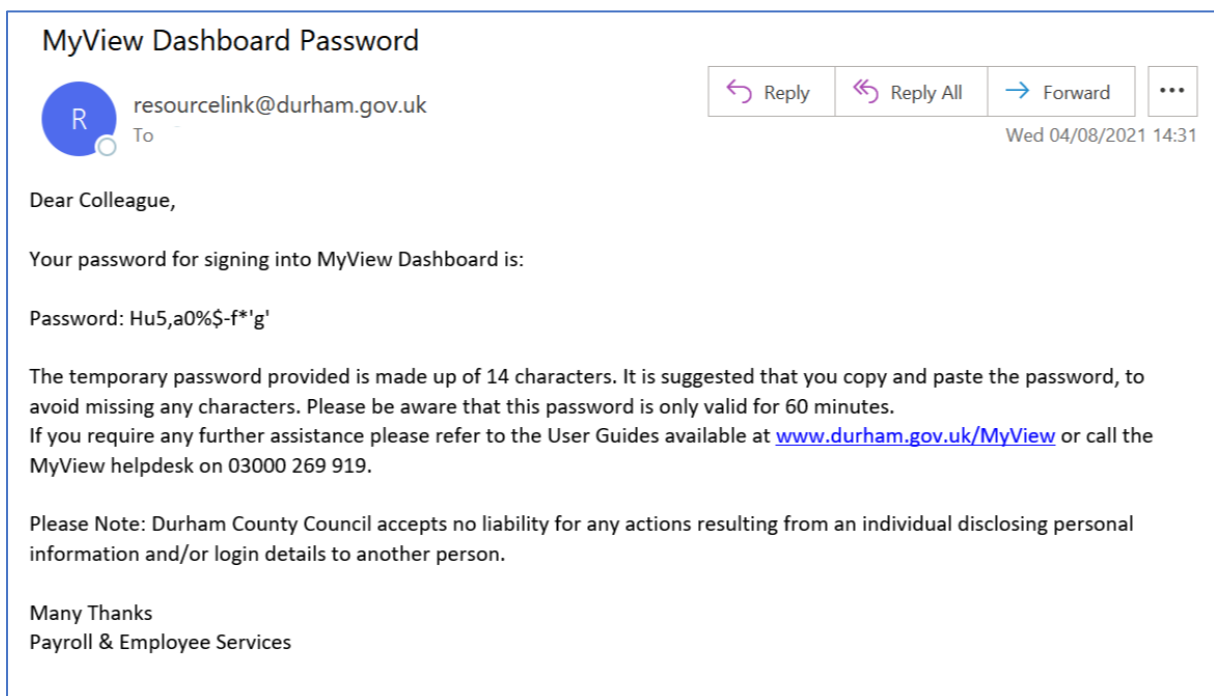

You should see an on-screen notification confirming that, if the credentials you supplied are correct, an email containing a temporary password has been sent to the email address associated with your employee record.

Click **[Continue]**.

The screenshot shows a user interface for MyView. On the right, a white notification box with a green checkmark icon contains the text: "Password reset. If the credentials you supplied are correct, your account has been reset and an email containing a temporary password has been sent to the address associated with this account." Below this text is a dark blue button labeled "Continue". On the left, there are three white tiles with rounded corners. The top tile is titled "Welcome to MyView" and provides contact information for the MyView helpdesk. The middle tile is titled "Financial Ability" and mentions online workshops. The bottom tile is titled "Join Our Fostering Family" and encourages people to foster children. At the bottom of the page, there is a URL: www.durham.gov.uk/fostering or call 02000 269 919.

You should receive an email from resourcelink@durham.gov.uk containing a temporary password. The email will provide instructions for the next steps of setting up your log in details for MyView.

The screenshot shows an email interface. The subject is "MyView Dashboard Password". The sender is "resourcelink@durham.gov.uk" with a profile picture of a blue circle containing the letter 'R'. The email body starts with "Dear Colleague," followed by "Your password for signing into MyView Dashboard is:" and "Password: Hu5,a0%\$-f*'g'". Below this, it states: "The temporary password provided is made up of 14 characters. It is suggested that you copy and paste the password, to avoid missing any characters. Please be aware that this password is only valid for 60 minutes. If you require any further assistance please refer to the User Guides available at www.durham.gov.uk/MyView or call the MyView helpdesk on 03000 269 919." A "Please Note" section follows, stating that Durham County Council accepts no liability for any actions resulting from an individual disclosing personal information. The email ends with "Many Thanks" and "Payroll & Employee Services". The email header shows "Wed 04/08/2021 14:31" and action buttons for "Reply", "Reply All", "Forward", and a menu icon.

Please note: Please be aware that this temporary password is only valid for 60 minutes. Passwords are case sensitive. It is suggested that you copy and paste the password to avoid missing any characters.

Please return to MyView landing page and click **[Continue]**. You should now log into MyView using your 6-digit employee number and the temporary password you have received.

Enter your employee number and the temporary password, then click **[Log In]**.

You will then be asked to complete a set of security questions, which will be randomly used during subsequent logons. Please complete the following questions and click **[Set Answers]**.

The screenshot shows a web interface with two main columns. The left column contains three informational boxes: 'Welcome to MyView' with contact details, 'Financial Ability' with a link to workshops, and 'Join Our Fostering Family' with a link to a website. The right column is titled 'Security questions' and features a lock icon, a brief instruction, and two input fields for 'What is your memorable place?' and 'What is your memorable name?'. A green 'Set Answers' button is at the bottom.

On the next page, your employee number will be pre-populated, and you will be asked to input your temporary password again in the **Current password** field. You will then be asked to enter a new password in the **New Password** field and then confirm this password in the **Confirm Password** field. You should then click **[Submit]**.

The screenshot shows a web interface similar to the previous one. The left column contains the same three informational boxes. The right column is titled 'Change your password' and features a lock icon, a pre-populated 'your employee number' field, and three password fields: 'Current password', 'New password', and 'Confirm password'. A green 'Submit' button is at the bottom.

Please note: Your new password will need to be a minimum of 14 characters long, include both uppercase/lowercase letters, a number, and a special symbol (e.g. ! £ \$ / &).

You will then receive another email from resourcelink@durham.gov.uk confirming that you have successfully been able to access MyView.

3 – MyView Onboarding Hub

When you have logged onto MyView, you will be able to see the Onboarding Hub.

The screenshot displays the MyView Onboarding Hub interface. At the top, it shows the user's current progress at 36%. Below this, there are sections for 'I start in...' (showing a countdown to 31st December, 27904 days away), 'My Details' (Employee Number: 786755, Onboarding Started: 25/07/2023), 'Meet the Team' (My Manager: LEANNE SMITH, PES Team Leader; My Buddy: karen.hall@durha...), 'My Onboarding Tasks' (a list of tasks with filters and status indicators), and 'My First Day' (Arrival Time: 9:00 am, Address: Durham County Council Green, Lane Spennymoor DL16 6JQ, and a map showing the location).

The Onboarding hub contains the following details:

- Countdown of days until your first day

Payroll and Employee Services will update the employee record once a start date has been agreed with the lead officer at the appropriate time.

- Current Progress – completion rate (%) of your onboarding tasks. On your first log on, you'll see that this shows 0% progress, as none of the pre-employment tasks have been completed. However, as you work your way through the onboarding tasks, you'll see this progress bar change.

- My Details – Your employee number and **Onboarding Start Date** (the date from which you have had access to complete the required onboarding tasks).
- Meet the Team – details of your manager and an assigned Buddy from within your new team - this is a member of the team who you will be able to contact with any queries you may have.

- My Onboarding Tasks - A summary of the onboarding tasks you are expected to complete along with the current completion status of each task.

Please Note: As you complete each of the tasks, as well as completing the task (such as uploading a document or filling in a form) you **must** also mark the task as complete by clicking on the 'Mark as Complete' option.

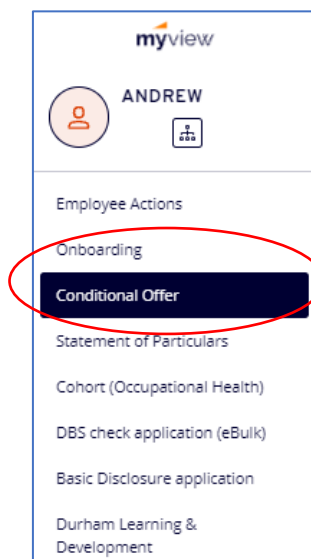

Payroll and Employee Services will be notified each time an onboarding task is completed. If the task has not been completed correctly, you will be notified that the task has been re-assigned to you to complete again.

- 'My First Day' information including:
 - Arrival Time
 - Location Address
 - Dress Code information (if/when applicable)
 - First Day Contact
 - What to Bring
 - Additional information

As the manager of the onboarder you will be alerted when the onboarding campaign has been initiated so that you can review the information in the 'My First Day' section before the onboarder takes up employment.

3.1 - Conditional Offer of Appointment and Statement of Particulars

On the left-hand navigation panel of MyView, you will be able to view and download your conditional offer of appointment letter at the point of commencing onboarding, and statement of particulars at the point of pre-employment checks completing. It is a requirement of the onboarding process for you to supply a photo, which will be used by our facilities Management team to create an ID/security badge. This process will ensure that you have your ID/security badge prior to starting with the Council. **The collection of this employee photo is mandatory.**

Click **[Employee Photo Upload]** from the My Onboarding Tasks list.

The Employee Photo page will now appear outlining the requirements for your photo. Please read this information carefully and ensure your photo meets the requirements. Further guidance is available via the paper clip option in the top right-hand corner of the page.

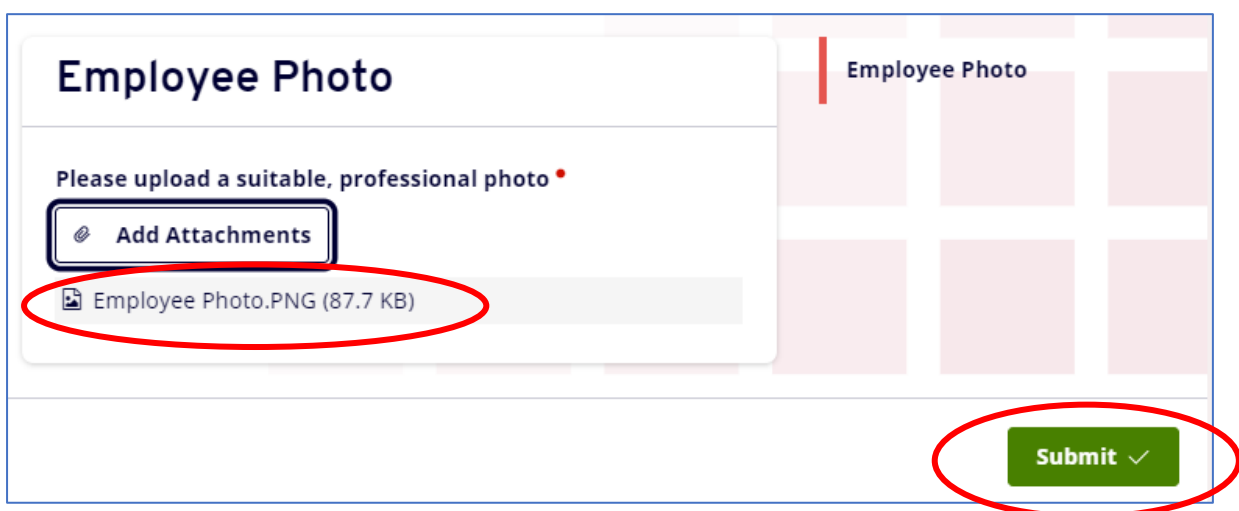

When you are ready to upload your photo, please scroll towards the bottom of this page. Click **[Add Attachments]**.

Below it, the uploaded photo is listed as 'Employee Photo.PNG (87.7 KB)'. At the bottom right, the green 'Submit' button with a checkmark icon is circled in red.

4.3 - DBS Consent Form (Update Service)

If your new role requires a Disclosure and Barring Service (DBS) check, the check must be completed before your start date can be confirmed.

However, you may already be subscribed to the DBS Update Service, where you pay an annual fee to the DBS to allow your check to be 'portable' across organisations, provided the level of check, the workforce (children and/or adults), and required barred lists checks are the same for the new role.

If your existing DBS certificate is of the same check level (e.g., enhanced), same workforce and same barred list check of your new role, **and** you are subscribed to the DBS Update Service, you may be able to use your existing disclosure for your new role.

By completing the DBS consent form you are also giving approval for Business Services to check the update service portal. Please note you will also be required to display the original certificate in person to your manager, at this stage they will retain a copy for the managers verification of the original DBS certificate.

Click **[DBS Consent Form]** from the My Onboarding Tasks list.

The first question on the form asks if you are subscribed to the DBS update service and have a current DBS certificate that is at the correct level for this post.

A screenshot of a web form titled 'DBS Update Service - Consent Form'. The main heading is 'DBS Update Service - Consent Form'. Below the heading is a question: 'Are you subscribed to the DBS update service and have a current DBS certificate that is at the correct level for this post? *'. Below the question is a drop-down menu with a downward arrow on the right. The menu is open, showing three options: '- Select One -', 'Yes', 'No', and 'Not Applicable'. To the right of the question is a 'Declaration' section with a grid of six pink circles. At the bottom left of the form is a 'Clear' button, and at the bottom right is a green 'Submit' button with a checkmark icon.

If you believe that you meet the criteria, please select **[Yes]** from the drop-down list available.

You will then be asked to complete applicant details with the relevant information taken from your original DBS certificate.
