

Maths Monsters Transcript

[Animation] Mum sitting on a couch watching TV in a living room, a young male character, enters the room holding a piece of paper.

[Child]: Mum! Can you help me with my Maths?

[Animation] The Child hands Mum the piece of paper, Mum looks down at the paper.

[Animation] Close up of the piece of paper, it has various complicated multiplication and division sums.

[Animation] Close up of Mum's eyes, they widen in surprise.

[Animation] The numbers and words on the piece of paper begin to float around and morph into Maths Monsters, they're vaguely shaped like numbers, plus, minus, divide, and multiply symbols.

[Maths Monster One]: What's the matter?

[Maths Monster Two]: Too hard for you?

[Maths Monster Two]: You can't help your kid with their homework?

[Maths Monster One]: Call yourself a mother?

[Animation] Close up of Mum's eyes.

[Narrator]: Don't let the Maths Monsters win.

[Animation] Mum is smiling in a class with other people. She raises her hand to answer a question.

[Narrator] Boost your maths skills with DurhamLearn. A safe space for adults to improve their maths skills and defeat those Maths Monsters.

[Animation] The Child is sitting next to Mum, and she is using a compass to help him with his Maths homework. The Maths Monsters who are watching through the window fade and then disappear in clouds of smoke.

[Child] Thanks Mum!

[Animation] Zoom into Mum's smiling face.

[Narrator]: DurhamLearn anytime, anywhere.
